ESCAPED

FROM the *Infernal Mauſoleum* at the STONE JUG, the Soul of a *Fury*, anſwering to the Name of M*tt*ews, as he bribed Old Charon to ferry him acroſs the Styx, it is imagined he is attempting to eſtabliſh himſelf once more in the Regions of Light, from whence he has been ſeveral Times withdrawn thro' the repeated Solicitations of many faithful Subjects, who frequently and ſeverely FELT the Effects of his diabolic Tyranny. During his former Reſidence on Earth he officiated as Phyſician to *Coward's Hoſpital* in BATH, and was Preſident of the Mercantile Societies trading in TORYISM, KNAVERY, LYING, CORRUPTION, DISHONESTY, ASSURANCE, GLUTTONY, INFAMY, and every other Vice his Satanic Majeſty has found Neceſſary to tranſmit amongſt Mortals.—☞ This is to caution all DÆMONS, FURIES, TORIES, and others againſt harbouring this inquitous Peregrinator, who has attempted to eclipſe his Sovereign, and their Aſſiſtance is likewiſe deſired to ſecure, bind, & bring him to *Meſſrs. Fiſher* and *Biggs*, Keepers of the ſaid *Mauſoleum*, from whom they will receive a handſome Reward.

N. B. His Skill in Deception is ſo great, that if he is found attempting to ſeduce the Principles of Independent Whigs and Honeſt Men, he may be permitted to remain till he has effected his Purpoſe.
